Safe and independent living.

*Call us today to set-up your **Personal Consultation!***

**Quality. Reliability. Innovation.**

Our medical alert service provides subscribers with 24/7 access to help both inside the home and out. With state-of-the art fall detection technology and GPS enabled help buttons, individuals and their families feel more confident and secure knowing they can access emergency assistance whenever they need it.

With innovative aging in place solutions, Victoria Lifeline is a valuable support system for older adults and people living with chronic conditions. We proudly provide service to over 350 Manitoba communities and are a not-for-profit partner of the Victoria Hospital Foundation with all proceeds dedicated to advancing healthcare.

*Live with confidence in your own home!*
